

AAB Membership and Remit - 2020/2021

The Academy Advisory Body (AAB) is a sub-committee of the main Trust Board. The AAB is responsible for the scrutiny of the work of the Academy and acts a key link between the Academy, parents and the local community. The main functions of the AAB are to:

- Provide scrutiny and constructive challenge in key focus areas to the Principal and Academy Senior Leadership Team

In order to perform these functions, there is an expectation that each AAB member is responsible for monitoring a key element of Academy performance and attends the Academy on a regular, at least termly, basis. This is in addition to attendance at AAB meetings.
